Fidelity Funds - US High Yield Fund A-ACC-Euro / LU0261953904 / A0LGBB / FIL IM (LU)

Investment strategy

The fund invests at least 70% of its assets, in high yielding below investment grade debt securities of issuers that do most of their business in the United States These securities will be subject to high risk and will not be required to meet a minimum rating standard and may not be rated for creditworthiness by an internationally recognised rating agency. The fund may also invest in money market instruments on an ancillary basis. The fund invests at least 50% of its assets in securities of issuers with favourable environmental, social and governance (ESG) characteristics. In actively managing the fund, the Investment Manager uses in-house research and investment capabilities to identify suitable opportunities across bond issuers, sectors, geographies, and security types. This may include an assessment of bond issuers" creditworthiness, macroeconomic factors, and valuations.

Investment goal

The fund aims to achieve capital growth over time and provide a high level of income.
