Investment strategy

To achieve this, the fund invests in interest-bearing securities, equities, certificates, funds and bank balances. At least 60% of the investment fund's assets must be invested in equities, equity funds and/or equity certificates. Up to 40% of the investment fund's assets may be invested in interest-bearing securities such as government bonds, corporate bonds or convertible bonds of domestic and foreign issuers, in certificates on bonds or bond indices or in bond funds. Of this portion, at least 51% of the corresponding investment ratio must be invested in securities that are denominated in euro or hedged against the euro and have investment grade status at the time the securities are purchased. Up to 10% of the investment fund's assets may be invested in certificates on commodities and commodity indices. Up to 40% of the fund's assets may be invested in money market instruments, money market funds and money market funds with short maturity structures or bank balances, respectively. When selecting the suitable investments, environmental and social aspects as well as the principles of corporate governance ("ESG standards") are of key importance for the implementation of the fund's sustainable investment strategy.

Investment goal

The fund is actively managed. The fund is not managed in reference to a benchmark. The fund promotes environmental and social characteristics and is subject to the disclosure requirements of a financial product in accordance with article 8(1) of Regulation (EU) 2019/2088 on sustainability-related disclosures in the financial services sector. The objective of the investment policy is to achieve the highest possible appreciation of capital.
