DWS ESG Stiftungsfonds LC / DE000DWS22Q5 / DWS22Q / DWS Investment GmbH

Investment strategy

To achieve this, the fund invests in equities, interest-bearing securities, convertible debentures, warrant-linked bonds, warrants, dividend-right certificates (Genussscheine) and index certificates of domestic and foreign issuers. At least 51% of the fund comprises mortgage bonds, municipal bonds or other bearer bonds issued in a member state of the European Union or in another state that is a party to the Agreement on the European Economic Area. When selecting the suitable investments, environmental and social aspects as well as the principles of corporate governance ("ESG standards") are of key importance for the implementation of the fund"s sustainable investment strategy.

Investment goa

The fund is actively managed. The fund is not managed in reference to a benchmark. The fund promotes environmental and social characteristics and is subject to the disclosure requirements of a financial product in accordance with article 8(1) of Regulation (EU) 2019/2088 on sustainability-related disclosures in the financial services sector. More ESG information is available in the sales prospectus and on the DWS website. The objective of the investment policy is to generate capital appreciation.
