Danske Invest SICAV Europe Long-Short Equity Factors Class I p / LU1932898353 / DIS094 / Danske IM Co.

Investment strategy

The fund is categorised as article 8 under SFDR and promotes environmental and/or social characteristics, as well as good governance practices, through screening, exclusions, investment analysis and decision-making as well as active ownership. The fund follows Danske Invest's responsible investment policy. In actively managing the fund's portfolio, the management team uses a long-short strategy, taking long exposure to equities it believes will increase in price and short exposure to equities it believes will decline in price or offset the volatility of its long positions.

Investment goal

The objective of this fund is to achieve investment growth in any type of market condition (absolute return). The share class is accumulating. The fund invests mainly in long and short positions in European equities. To a small extent, the fund may invest in equities from developed countries outside Europe.
