Investment strategy

The sustainable investment objective of the sub-fund is to be aligned with the Paris Agreement, where world governments committed to curbing global temperature rise to below 2°C above pre-industrial levels. In addition, as part of its social sustainable investment objective, the Sub-Fund invests in companies contributing positively to social solutions.

Investment goal

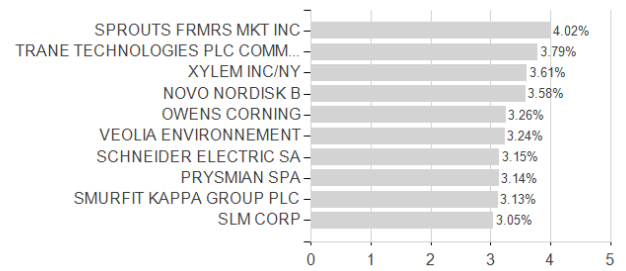

Aegon Global Impact Equities belongs to the category of Single Manager Funds. The Fund seeks to increase the value of its assets over the long term by investing predominantly in transferable equity securities such as equities, other equity shares such as co-operative shares and participation certificates issued by, or warrants on transferable equity securities of, companies which are domiciled worldwide and which generate measurable socio-economic or environmental benefits, without any specific restriction on tracking error.
