### What is this product?

#### Type

Aegon Alternative Risk Premia Fund is a sub-fund of Aegon Asset Management Europe ICAV.

#### Term

The term of the Fund is unlimited and therefore there is no maturity date. The Fund Manager / Manufacturer may decide to terminate the Fund unilaterally as set out in the Prospectus of the Funds. Situations that give rise to an automatic termination are not foreseen in the Funds Prospectus, but may be foreseen by laws and regulations applicable to the Fund.

**Objective:** The investment objective of the Fund is to achieve capital appreciation over the medium to long term.

**Policy:** The Fund is actively managed and is a multi-strategy, multi-asset alternative risk premia fund. The Investment Manager seeks to achieve the Fund's investment objective by selecting particular assets and obtaining exposure to them for the Fund.

The Sub-Fund has no benchmark index and is not managed in reference to a benchmark index. The fund has a performance comparator of '3 months Euribor + 250 bps'.

**Other information:** You can buy, sell or exchange the Fund's shares on any business day (see 'Key Information for Buying and Selling' in the Fund Supplement to the Prospectus for more information).

Income the Fund receives will be reinvested and automatically reflected in the value of your shares.

#### Intended retail investor

The Fund is suitable for retail, institutional and other sophisticated investors who are comfortable with a medium to high level of investment risk. Investors should understand the investment policy and strategy of the Fund and its inherent risks including the usage of complex derivatives and risk premia strategies. It is important to understand that the Fund should be viewed as a medium to long term investment.

The Depositary of the Fund is Citibank Depositary Services Ireland Limited.

Further information about the Fund and copies of the Prospectus, Supplement, latest Annual and Semi-Annual Reports of the Company can be obtained free of charge from our website ([www.aegonam.com](http://www.aegonam.com)) or by calling +353 1 622 4493. These documents are available in English.

The prices of shares will be published daily on our website ([www.aegonam.com](http://www.aegonam.com)).

### What are the risks and what could I get in return?

#### Risk Indicator

1	2	3	4	5	6	7
---	---	---	---	---	---	---

Lower risk

Higher risk

The risk indicator assumes you keep the product for 3 years.

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets or because we are not able to pay you.

We have classified this Fund as 3 out of 7 which is a medium-low risk class. This rates the potential losses from future performance at a medium-low level and poor market conditions are unlikely to impact performance.

This fund exposes investors to investment risks, including market, credit and liquidity risk. Please refer to the fund's prospectus document for a comprehensive list of applicable risks for this fund.

This product does not include any protection from future market performance so you could lose some or all of your investment.

## Performance Scenarios

What you will get from this Fund depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted. The unfavourable, moderate, and favourable scenarios shown are illustrations using the worst, average, and best performance of the product over the last 10 years. Markets could develop very differently in the future.

Recommended holding period:		3 years		
Example Investment:		€10000	If you exit after 1 year	If you exit after 3 years
Scenarios				
<b>Minimum</b>	There is no minimum guaranteed return. You could lose some or all of your investment.			
<b>Stress</b>	<b>What you might get back after costs</b>	€8830		€8820
	<b>Average return each year</b>	-11.72%		-4.11%
<b>Unfavourable</b>	<b>What you might get back after costs</b>	€8830		€10660
	<b>Average return each year</b>	-11.72%		2.14%
<b>Moderate</b>	<b>What you might get back after costs</b>	€10220		€10690
	<b>Average return each year</b>	2.18%		2.25%
<b>Favourable</b>	<b>What you might get back after costs</b>	€10330		€10820
	<b>Average return each year</b>	3.34%		2.65%

The figures shown include all the costs of the product itself, but may not include all the costs that you pay to your advisor or distributor. The figures do not take into account your personal tax situation, which may also affect how much you get back. The stress scenario shows what you might get back in extreme market circumstances.

Unfavourable scenario: This type of scenario occurred for an investment between 2017 and 2020.  
 Moderate scenario: This type of scenario occurred for an investment between 2015 and 2018.  
 Favorable scenario: This type of scenario occurred for an investment between 2012 and 2015.

## What happens if Aegon Asset Management Europe ICAV is unable to pay out?

As a Fund participant, you may suffer financial loss in case the Fund is unable to pay out. This financial loss is not covered by the Irish Investor Compensation Scheme.

## What are the costs?

### Costs over Time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, how long you hold the product. The amounts shown here are illustrations based on an example investment amount and different possible investment periods.

We have assumed:

- In the first year you would get back the amount that you invested (0% annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario
- 10,000.00 EUR is invested.

	If you exit after 1 year	If you exit after 3 years
Total costs	€32	€32
Annual cost impact (*)	0.3%	0.1% each year

(\*) This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 2.4 % before costs and 2.3 % after costs.

### Composition of Costs

## **How long should I hold it and can I take money out early?**

Recommended holding period: 3 years

Investors can subscribe and redeem daily. The Directors may on any Dealing Day where there are net Subscriptions or Redemption adjust the Price by adding or subtracting an Anti-Dilution Adjustment to cover dealing costs and/or to preserve the value of the underlying assets of a Fund. Any such charge shall be retained for the benefit of the relevant Fund.

As the costs of dealing can vary with market conditions, the level of the Anti-Dilution Adjustment many also vary.

If an Anti-Dilution Adjustment is to be applied details will be set out in the Supplement for the relevant Fund.

A Preliminary Charge of up to 5% of the issue price may be charged by the ICAV for payment to the Manager on the issue of Shares, out of which the Manager may, for example, pay commission to financial intermediaries. A Repurchase Charge of up to 3% of the redemption amount may be charged by a Fund for payment to the Manager on the redemption of Shares but it is the intention of the Manager that such charge (if any) shall not, until further notice, exceed such amount as is set out in the Supplement for the relevant Fund. Further details of these Charged, if any, will be set out in the relevant Supplement.

## **How can I complain?**

Each shareholder/investor which is not satisfied with its experience as an investor in the Fund is entitled to bring a complaint in accordance with the applicable complaints handling policy. As an investor, you are entitled to file a complaint free of charge. Any such complaint must be handled by Aegon Investment Management B.V. or its delegates promptly and effectively. Aegon Asset Management's complaints management policy is available upon request. Irish investors may also have the right to complain to the Irish Financial Services and Pensions Ombudsman. Investors may also raise a complaint through the EU Online Dispute Resolution (ODR) portal [www.ec.europa.eu/consumers/odr/](http://www.ec.europa.eu/consumers/odr/) if the complaint relates to Shares that were subscribed by electronic means, including via email. Making a complaint will not prejudice your rights to commence legal proceedings. Our summary of investor rights and collective redress can be found on our website: <https://www.aegonam.com/en/contact/> under 'Complaints'.
