Managed by Allianz Global Investors GmbH, part of Allianz Global Investors

ISIN: LU1917776384  
WKN: A2PBBH

## Objectives and Investment Policy

Long-term capital growth and income by investing in a broad range of asset classes, in particular in the global bond-, equity-, alternative- and money markets. The Sub-Fund achieves its investment objective by investing in internal investment funds with different regional focuses from a global investment universe.

This Sub-Fund is not managed by us in reference to a Benchmark. We follow an active management approach.

Min. 70% of Sub-Fund assets are invested by us in UCITS and/or UCI as described in the investment objective. Max. 30% of Sub-Fund assets may be invested by us in UCITS and/or UCI other than described in the investment objective. Max. 30% of Sub-Fund assets may be invested by us in Equities and/or bonds (excluding equity- and/or bond-funds) in accordance with the investment objective and/or other than described in the investment objective. Max. 60% of Sub-Fund assets may be invested by us in Emerging Market (including Emerging Market funds). Max. 30% of Sub-Fund assets may be invested by us in High-Yield investments (including High-Yield funds) bearing a

typically higher risk and higher potential of gains. Max. 20 % of Sub-Fund assets may be invested by us in ABS and/or MBS. Max. 100% Sub-Fund assets may be invested by us in Money Market Funds and (up to 30% of Sub-Fund assets) may be held by us in deposits and/or may be invested in money market instruments for liquidity management and/or defensive purpose. The duration of Sub-Fund assets shall be between minus 2 and plus 10 years.

You may redeem shares of the fund usually on each business day.

We reinvest the income into the fund.

Recommendation: the Share Class of the Fund should be held for at least a medium-term investment horizon.

Derivatives may be used to offset exposure to price fluctuations (hedging), to take advantage of price differences between two or more markets (arbitrage) or to multiply gains although it may also multiply losses (leverage).

## Risk and Reward Profile

This risk and reward indicator is based on past performance data. It may not be a reliable indication of the future risk profile of the fund.

The categorisation of the fund is not guaranteed and may change in the future.

Even the lowest category 1 does not mean a risk-free investment.

### Why is the fund in this category?

Funds of category 5 have shown in the past a medium to high volatility. The volatility describes how much the value of the fund went up and down in the past. The units of a fund of category 5 might be subject to medium to high price fluctuations based on the historical volatilities observed.

## Charges

These charges are used to pay the costs of running the fund, including the costs of marketing and selling. They reduce the potential growth of your investment.

### One-off charges deducted before or after you invest

|              |        |
|--------------|--------|
| Entry Charge | 0.00%  |
| Exit Charge  | 2.50%* |

This is the maximum charge that might be taken out of your money before it is invested or before the proceeds of your investments are paid out.

### Charges taken from the fund over a year

|                 |       |
|-----------------|-------|
| Ongoing Charges | 1.32% |
|-----------------|-------|

The entry and exit charges shown are maximum figures. In some cases you might pay less – you can find actual entry and exit charges from your financial adviser.

\*The exit charge of up to 2.50 % of initial NAV will be applied after the end of the subscription period. Such fee will remain in the Sub-Fund and will be reduced by 0.25% of the initial NAV on a semi-annual basis.

\*\*The ongoing charges include a placement fee of up to 2.50 % of initial NAV at Sub-Fund's launch date. Such fee is paid out in a single instalment after the end of the subscription period and it is then amortized over a 5 years period.

The ongoing charges shown are based on the fund's last financial year ending 30.09.2021. It may vary from year to year. It does not include transaction costs incurred when we buy or sell assets for the fund.

You will find more details about the calculation of the charges by checking the respective part of the prospectus.
