Objectives and Investment Policy

Long-term capital growth by investing in the global equity markets with a focus on companies whose business will benefit from or is currently related to cyber security.

We manage this Sub-Fund in reference to a Benchmark. Sub-Fund's Benchmark plays a role for the Sub-Fund's performance objectives and measures. We follow an active management approach with the aim to outperform the Benchmark. Although our deviation from the investment universe, weightings and risk characteristics of the Benchmark is likely to be significant in our own discretion, the majority of the Sub-Fund's investments (excluding derivatives) may consist of components of the Benchmark.

The Sub-Fund follows the Climate Engagement with outcome Strategy and therefore promotes environmental or social characteristics by including environmental and social factors in the investment decision and engages specifically with high emitters in order to promote climate consciousness. Minimum exclusion criteria for direct investments are applied. Min. 70% of Sub-Fund assets are invested by us in global Equities which are engaged in the evolution and development of cyber security. Cyber security means companies which have exposure and / or connection to practices defending computers, servers, mobile devices, electronic systems, networks and data against malicious attacks. Cyber security also includes, but is not limited to, the security of information technologies and electronic

information. Max. 30% of Sub-Fund assets may be invested by us in Equities other than described in the investment objective. Sub-Fund assets may be invested by us - even fully - in Emerging Markets. Max. 20% of Sub-Fund assets may be invested by us into the China A-Shares market. Max. 25% of Sub Fund assets may be held by us directly in time deposits and/or (up to 20% of Sub-Fund assets) in deposits at sight and/or invested in Money Market Instruments and/or (up to 10% of Sub-Fund assets) in money market funds for liquidity management. Max. 10% of Sub-Fund assets may be invested by us in UCITS/UCI. Sub-Fund classifies as "equity-fund" according to German Investment Tax Act (GITA).

Benchmark: MSCI AC World (ACWI) Information Technology Total Return Net (in USD).

You may redeem shares of the fund usually on each business day.

We reinvest the income into the fund.

Recommended Holding Period: 5 Years

SFDR Category – Article 8 (a financial product which promotes, amongst other characteristics, environmental or social characteristics, provided that the companies in which the investments are made follow good governance practices)

Risk and Reward Profile

This risk and reward indicator is based on past performance data. It may not be a reliable indication of the future risk profile of the fund.

The categorisation of the fund is not guaranteed and may change in the future.

Even the lowest category 1 does not mean a risk-free investment.

Why is the fund in this category?

Funds of category 7 have shown in the past a very high volatility. The volatility describes how much the value of the fund went up and down in the past. The units of a fund of category 7 might be subject to very high price fluctuations based on the historical volatilities observed.

Charges

These charges are used to pay the costs of running the fund, including the costs of marketing and selling. They reduce the potential growth of your investment.

One-off charges deducted before or after you invest
