a sub-fund of Alma Capital Investment Funds. The Fund is managed by Alma Capital Investment Management.

OBJECTIVES & INVESTMENT POLICY

The objective of the Fund is to seek total return by investing primarily in publicly traded equity and debt securities of global natural resource-related companies. Natural resource-related companies are companies operating in a capacity related to the supply, production, distribution, refining, transportation and consumption of natural resources.

The Fund promotes, among other characteristics, environmental or social characteristics, or a combination of those characteristics in compliance with Article 8 of the Sustainable Financial Disclosure Regulation ("SFDR") and the related sustainability risks.

Sustainability factors are integrated in the investment process of the Fund.

The Fund is actively managed which means that the Investment Manager is actively making investment decisions for the Fund.

The Fund is not managed in reference to a benchmark.

Recurrent Investment Advisors, LLC manages the portfolio of this Fund.

All income in the Fund is reinvested.

Institutional investors can buy and sell shares of the Fund on a daily basis.

The first investment must amount to **at least 250,000.00 Euros**.

RISK AND REWARD PROFILE

The above indicator (Synthetic Risk and Reward Indicator) reflects the historical level of risk and reward of this share class over the last 5 years.

As it is based on its historical behaviour, **it does not necessarily reflect future risk, nor reward.**

This share class is classified as above since it has experienced **strong movements in its value.**

This classification is solely valid as of the date of this document; it can change in the future.

Investors investing in a fund in the category "1" above may sustain a loss.

A fund in this category is not risk free at all times.

The Fund does not provide investors with any guarantee of performance nor of the value of investments in it. The latter may consequently go up, as well as down.

The indicator captures the impacts on the Fund of movements in financial markets and currencies, **under normal market conditions.**

Risks materially relevant to the Fund which are not captured by the indicator:

Counterparty risk: represents the risk of default of a market participant to fulfil its contractual obligations vis-à-vis the portfolio.

Credit risk: the Fund invests in convertible bonds. There is a risk that the issuer may default. The likelihood of this happening will depend on the credit-worthiness of the issuer.

Currency risk: there is a risk of loss arising from exchange-rate fluctuations or exchange control regulations.

Liquidity risk: in case of low trading volume on financial markets, any buy or sell trade on these markets may lead to important market variations/fluctuations that may impact portfolio valuation.

Natural resources sector focus risk: the natural resources sector has historically experienced substantial price volatility. At times, the performance of these investments may lag the performance of other sectors or the market as a whole.

Selection risk: the Investment Manager's judgment about the attractiveness, value and potential appreciation of a particular company's security could be incorrect.

More details on the risks investors may be exposed to when investing in this Fund are described in the "Risk Factors" section and the relevant Special Section of the Prospectus.

CHARGES FOR THIS FUND

The charges paid/you paid are used to finance the costs of running the Fund, including the costs of distribution. These charges reduce the potential growth of investments.

ONE-OFF CHARGES TAKEN BEFORE OR AFTER YOU INVEST:	
Entry charge	2%
Exit charge	0.5%
This is the maximum that might be taken out of your money before it is invested (entry charge) and before the proceeds of your investment are paid out (exit charge).	
CHARGES TAKEN FROM THE FUND OVER A YEAR	
Ongoing charges	1.24%
CHARGES TAKEN FROM THE FUND UNDER SPECIFIC CONDITIONS	
Performance Fee	Not applicable

The **entry** and **exit charges** shown are maximum figures. In some cases investors may pay less—more details can be obtained from investment advisers or distributors.

The **ongoing charges** figure is based on expenses for the twelve month period ending 31 December 2021. This figure may vary from year to year. It excludes portfolio trade-related costs, except costs paid to the custodian and any entry/charge paid to an underlying collective investment scheme (if any).

A charge of up to 1% may be levied if shares in this share class are converted into shares of other Funds or classes, as further described in the Prospectus.

For more information about charges, please refer to the "Fees, Compensation and Expenses" section of the Prospectus, which is available at www.fundsquare.net.

PAST PERFORMANCE

Past performance provides no indication of future returns.

All fees and expenses, as included in the price of the Fund, are reflected in the performance shown left, which is calculated in Euros. This performance does not take into account the above mentioned maximum entry and exit charges.

The Fund was launched on 29 June 2018 and the share class was launched on 29 June 2018.
