What is this product?

Type: Shares of a Sub-Fund of Amundi Funds, an Undertaking for Collective Investments in Transferable Securities (UCITS), established as a SICAV.

Term: The term of the Sub-Fund is unlimited. The Management Company may terminate the fund by liquidation or merger with another fund in accordance with legal requirements.

Objectives: The Sub-Fund is a financial product that promotes ESG characteristics pursuant to Article 8 of the Disclosure Regulation.

To achieve a combination of income and capital growth (total return).

The Sub-Fund invests at least 67% of assets in debt instruments that are issued or guaranteed by OECD governments or issued by corporate entities. There are no currency constraints on these investments. The Sub-Fund may invest less than 25% of the net assets in Chinese bonds denominated in local currency and investments may be made indirectly or directly (i.e. via Direct CIBM access).

The Sub-Fund's exposure to MBSs and ABSs is limited to 40% of net assets. This includes indirect exposure gained through to-be-announced securities (TBA), which is limited to 20% of net assets.

The Sub-Fund invests at least 80% of assets in investment-grade securities.

The Sub-Fund makes use of derivatives to reduce various risks, for efficient portfolio management and as a way to gain exposure (long or short) to various assets, markets or other investment opportunities (including derivatives which focus on credit interest rates and foreign exchange).

Benchmark : The Sub-Fund is actively managed by reference to and seeks to outperform the Bloomberg Global Aggregate Hedged Index. The Sub-Fund is mainly exposed to the issuers of the Benchmark, however, the management of the Sub-Fund is discretionary, and will be exposed to issuers not included in the Benchmark. The Sub-Fund monitors risk exposure in relation to the Benchmark however the extent of deviation from the Benchmark is expected to be significant. The Sub-Fund has not designated the Benchmark as a reference benchmark for the purpose of the Disclosure Regulation.

Management Process : The Sub-Fund integrates Sustainability Factors in its investment process as outlined in more detail in section "Sustainable Investment" of the Prospectus. The investment team uses a wide range of strategic and tactical positions, including arbitrage among credit, interest rate and currency markets, in assembling a highly diversified portfolio. The Sub-Fund seeks to achieve an ESG score of its portfolio greater than that of its investment universe.

Intended Retail Investor: This product is intended for investors, with a basic knowledge of and no or limited experience of investing in funds seeking to increase the value of their investment and to receive income over the recommended holding period with the ability to bear losses up to the amount invested.

Redemption and Dealing: Shares may be sold (redeemed) as stated in the prospectus at the respective dealing price (net asset value). Further details are provided in the Amundi Funds prospectus.

Distribution Policy: As this is a distributing share class, investment income is distributed.
