

Key Investor Information

This document provides you with key investor information about this Fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this Fund. You are advised to read it so you can make an informed decision about whether to invest.

EQUITY HIGH DIVIDEND EUROPE, a Subfund of the SICAV PARVEST

Class "Privilege Capitalisation" - ISIN code LU0111493838

This Fund is managed by BNP PARIBAS INVESTMENT PARTNERS LUXEMBOURG, part of the BNP Paribas Group

Objectives and Investment Policy

The Fund seeks to increase the value of its assets over the medium term by investing in shares issued by European companies, which distribute dividends higher than the average on the European markets.

It is actively managed and as such may invest in securities that are not included in the index which is S&P High Income Equity Europe (NR).

Income are systematically reinvested.

Investors are able to redeem on a daily basis (on Luxembourg bank business days).

Risk and Reward Profile

Other risks materially relevant to the Fund which are not adequately captured by the indicator are described below:

- **Liquidity Risk:** This risk arises from the difficulty of selling an asset at a fair market price and at a desired time due to lack of buyers.

For more information on risks, please see the "Investment risks" section of the Fund's prospectus, which is available at www.bnpparibas-ip.com.

- Historical data may not be reliable indication for the future.
- The risk category of a Fund is an indicator but not a target or a guarantee and may shift over time.
- The lowest category does not mean a risk-free investment.
- Why is the Fund in this specific category?

The risk category is justified by the investment mainly in Stocks and Shares, the value of which can fluctuate considerably. These fluctuations are often amplified in the short term.

- The higher the risk, the longer the recommended investment horizon.
