## WHAT HAPPENS IF SWISSCANTO FUND MANAGEMENT COMPANY LTD., ZURICH, IS UNABLE TO PAY OUT?

The assets of the Fund and the assets of the fund management company are held separately. Therefore, a default by the fund management company will not affect the value of your investment. If the custodian bank goes bankrupt, the Fund's assets deposited with the custodian bank will not be included in the bankruptcy estate but will be segregated for the benefit of the Fund. In such a case, the claims by the Fund against the custodian bank in the form of privileged deposits are given priority by the custodian bank, but are otherwise treated as ordinary claims in the bankruptcy proceedings.
