

The figures shown include all the costs of the product itself, but may not include all the costs that you pay to your advisor or distributor. The figures do not take into account your personal tax situation, which may also affect how much you get back.

What you will get from this product depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted.

The unfavourable, moderate, and favourable scenarios shown are illustrations using the worst, average, and best performance of the product and a suitable benchmark over the last 10 years. Markets could develop very differently in the future.

Recommended holding period:		5 years	
Example Investment:		10,000 EUR	
		If you exit after 1 year	If you exit after 5 years
Scenarios			
Minimum	There is no minimum guaranteed return. You could lose some or all of your investment.		
Stress	What you might get back after costs	1,810 EUR	1,930 EUR
	Average return each year	-81.90%	-28.04%
Unfavourable	What you might get back after costs	6,370 EUR	6,690 EUR
	Average return each year	-36.30%	-7.72%
Moderate	What you might get back after costs	9,950 EUR	10,190 EUR
	Average return each year	-0.50%	0.38%
Favourable	What you might get back after costs	17,630 EUR	17,270 EUR
	Average return each year	76.30%	11.55%

The stress scenario shows what you might get back in extreme market circumstances.

Unfavourable scenario: This scenario occurred for an investment between March 2015 and March 2020, using an appropriate benchmark for the calculation.

Moderate scenario: This scenario occurred with an investment between February 2018 and February 2023, using an appropriate benchmark for the calculation.

Favourable scenario: This scenario occurred with an investment between December 2018 and December 2023, using an appropriate benchmark for the calculation.

The default of IPConcept (Luxemburg) S.A., société anonyme has no direct impact on your payout, as the statutory regulation provides that in the event of the insolvency of IPConcept (Luxemburg) S.A., société anonyme, the special assets do not become part of the insolvency estate, but are maintained independently.

What are the costs?

The person advising on or selling you this product may charge you other costs. If so, this person will provide you with information about these costs and how they affect your investment.

Costs over time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, how long you hold the product and how well the product performs, if applicable. The amounts shown here are illustrations based on an investment amount and different possible investment periods.

We have assumed:

- In the first year you would get back the amount that you invested (0% annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario.
- 10,000 EUR will be invested.

	If you exit after 1 year	If you exit after 5 years
Total costs	283 EUR	1,519 EUR
Annual cost impact (*)	2.8%	2.8% each year

(*) This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 3.2 % before costs and 0.4 % after costs.

We may share part of the costs with the person selling you the product to cover the services they provide to you. They will inform you of the amount.

Composition of costs

One-off costs upon entry or exit		If you exit after 1 year
Entry costs	We do not charge an entry fee.	0 EUR
Exit costs	We do not charge an exit fee.	0 EUR

Transaction costs	0.23% of the value of your investment per year. This is an estimate of the costs incurred when we buy or sell the underlying investments for the product. The actual amount will vary depending on how much we buy and sell.	23 EUR
Incidental costs taken under specific conditions		
Performance fees (and carried interest)	1.53% of the value of your investment per year. The actual amount depends on how well your investment performs. The above estimate of cumulative costs includes the average of the last five years.	153 EUR

How long should I hold it and can I take money out early?

Due to the risk and return profile, we recommend a holding period of at least 5 years for this product.

You can, however, return the product in compliance with the return modalities stated in the sales prospectus. Early redemption can have a significant impact on the risk and return profile. The redemption may be temporarily suspended if there are circumstances which require a suspension and this is justified taking into account the interests of the investors.

How can I complain?

In case of complaints, you may write to IPConcept (Luxemburg) S.A., société anonyme at the address 4, rue Thomas Edison, L - 1445 Strassen, Luxembourg or send an email to info.lu@ipconcept.com. Further information can also be found on the following website: www.ipconcept.com. Complaints about the person advising on or selling the product may be addressed directly to that person.
