XTRACKERS (IE) PLC

GENERAL INFORMATION CONT/D

The following information is derived from and should be read in conjunction with the full text and definitions section of the prospectus of Xtrackers (IE) plc (the "Prospectus"). Capitalised terms used herein shall have the same meaning as capitalised terms used in the Prospectus unless otherwise defined herein.

Xtrackers (IE) plc (the "Company") is an investment company with variable capital incorporated on 17 November 2004, authorised and regulated by the Central Bank of Ireland (the "Central Bank") under the European Communities (Undertakings for Collective Investments in Transferable Securities) Regulations 2011, as amended, and under the Central Bank (Supervision and Enforcement) Act 2013 (Section 48(1) (Undertakings for Collective Investments in Transferable Securities) Regulations 2019 (together the "UCITS Regulations").

The Company is structured as an open-ended umbrella fund with segregated liability between the Funds. Shares representing interests in different Funds may be issued from time to time by the Directors without prior consent by the Central Bank. Shares of more than one class may be issued in relation to a Fund. All shares of each class will rank *pari passu* save as provided for in each relevant Supplement to the Prospectus.

At the end of the financial year the Company comprised of 102 active Funds.

Valuation of Assets

The Net Asset Value of a Fund shall be expressed in the currency in which the shares are designated or in such other currency as the Directors may determine either generally or in relation to a particular Class or in a specific case, and shall be calculated by ascertaining the value of the assets of the Fund and deducting from such value the liabilities of the Fund (excluding shareholders equity) as at the NAV Date.

The Net Asset Value per share of a Fund will be calculated by dividing the Net Asset Value of the Fund by the number of shares in the Fund then in issue or deemed to be in issue as at the NAV Date and rounding the result mathematically to four decimal places or such other number of decimal places as may be determined by the Directors from time to time.

In the event the shares of any Fund are further divided into Classes, the Net Asset Value per Class shall be determined by notionally allocating the Net Asset Value of the Fund amongst the Classes making such adjustments for subscriptions, repurchases, fees, dividends accumulation or distribution of income and the expenses, liabilities or assets attributable to each such Class (including the gains/losses on and costs of financial instruments employed for currency hedging between the currencies in which the assets of the Fund are designated and the designated currency of the Class, which gains/losses and costs shall accrue solely to that Class) and any other factor differentiating the Classes as appropriate. The Net Asset Value of the Fund, as allocated between each Class, shall be divided by the number of shares of the relevant Class which are in issue or deemed to be in issue and rounding the result mathematically to four decimal places as determined by the Directors or such other number of decimal places as may be determined by the Directors from time to time.

Dealing

All Funds deal on every Business Day as set out in the relevant Supplements to the Prospectus. The Business Day means, unless otherwise defined in the Supplement for the relevant Fund, a day which is a London Banking Day.

Applications must be received by the State Street Fund Services (Ireland) Limited (the "Administrator") before the Cut-off Time on the relevant Transaction Day as specified in the relevant Supplement to the Prospectus.

Applications should be addressed to the Administrator:

GENERAL INFORMATION CONT/D

Tracking Error and Tracking Difference

Funds which track an index are subject to tracking error risks which may result in the value and performance of the Shares not tracking exactly the value and performance of the corresponding Index. The tracking error is defined as the volatility (as measured by the standard deviation) of the difference between the return of the Fund and the return of its Index, on an annual basis (the "Tracking Error"). It should be differentiated from the tracking difference, which is simply the difference between the return of the Fund and the return of its Index, on an annual basis or another given period of time (the "Tracking Difference"). The Tracking Difference indicates the extent to which a Fund has outperformed or underperformed its Index on an annual basis or another given period of time. In contrast, the Tracking Error measures how consistently the Fund return matches its Index on an annual basis. The anticipated level of Tracking Error, in normal market conditions, is disclosed for each Fund in the Supplements (please see the "Description of the Shares" section of the relevant Supplement). For Funds with Currency Hedged Share Classes, the anticipated tracking error disclosed represents the tracking error of the unhedged Share Classes against the relevant Fund's Reference Index (which is also unhedged), where applicable. Tracking Error may also be impacted by the Investment Manager seeking to ensure compliance with the CCW Policy and any other ESG commitments as described under the heading "Sustainability-Related Disclosures under SFDR and EU Taxonomy Regulation section. Investors' attention is drawn to the fact that these figures are only estimates of the Tracking Error level in normal market conditions and should not be understood as strict limits. Tracking Error and Tracking Difference for the financial period to date is outlined in the Fund Performance Supplemental Data on pages 1309 to 1312 for the relevant Funds where they apply.

XTRACKERS (IE) PLC

DIRECTORS' REPORT FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2023

The Board presents to the shareholders their Annual Report, together with the Audited Financial Statements, for the financial year ended 31 December 2023 of the Company.

Results, Activities and Future Developments

The results of operations are set out on pages 72 to 109. A review of activities is contained in the Investment Manager's Report. The Board intends to continue to pursue the investment objectives of the Funds as set out in the Prospectus and relevant Supplements to Prospectus.

Principal Risk Uncertainties

A detailed analysis of the risks facing each Fund is included in Note 10 of the Notes to the Financial Statements. There were no major operational issues during the year.

Financial Instruments

The information required in relation to the use by the Company of financial instruments and financial risk management objectives and policies of the Company and the exposure of the Company to market risk, currency risk, interest rate risk, liquidity risk and credit risk are outlined in Note 10 of the Notes to the Financial Statements.

Directors

The Directors of the Company are:

Michael Whelan

Mr. Whelan is a highly experienced financial services professional who is currently Chairman and non-executive director of a number of regulated funds and other financial services companies. Mr. Whelan was Chief Country Officer of Deutsche Bank in Ireland from 2007 until 2015 during which time he led the substantial growth of the business which saw a significant increase in the Bank's footprint in Ireland as well as the development of a number of new business areas. Mr. Whelan's previous experience includes that of managing director of the Irish Futures and Options Exchange, an electronic exchange owned by the major banks and financial institutions in Ireland. Mr. Whelan is a business studies graduate of UCD and a fellow of the Chartered Association of Certified Accountants.

Tom Murray

Mr. Murray is an independent, non-executive director and Chairman of the Board of Directors. Mr. Murray is currently a non-executive director of several regulated funds and investment management firms, including UCITS, AIFs and AIFMs. He has over 25 years' experience working in investment banking, having been Director of Treasury in Investec Bank (Ireland Branch) and a founder director of Gandon Securities Ltd which was acquired by Investec in 2000. In addition, between 2004 and 2008 he was a Director of Corporate Finance in Merrion Stockbrokers. He was also CFO of Wang International Finance Ltd between 1982 and 1988. He graduated in Commerce in 1976 and qualified as a Chartered Accountant with Coopers & Lybrand in 1980. He was a Member of the National Futures Association in the 1990s and has also obtained a Diploma in Directors Duties & Responsibilities from the Institute of Chartered Accountants.

Gerry Grimes

Mr. Grimes has over 30 years investment management and banking experience. Mr. Grimes previously worked in the Central Bank of Ireland in a number of senior investment positions, including Head of Reserve Management. He was a founder and Managing Director of Allied Irish Capital Management Ltd, where he managed a group of investment professionals with circa USD 1.4 billion under management, across a range of asset classes. Mr. Grimes is an independent director of investment funds/special purpose vehicles and also lectures in Risk Management at University College Cork. He holds a First Class Honours Degree in Economics and History from University College Dublin and the Diploma for Non-Executive Directors from the Financial Times/Pearson. He is a past Deputy President of AIMA, the leading representative body for the global alternative asset management industry.

DIRECTORS' REPORT FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2023 CONT/D

Directors cont/d

Philippe Ah-Sun

Mr. Ah-Sun is the Global Head of Passive Operations at DWS. Mr. Ah-Sun has a degree in English literature from the University of East Anglia, and is a chartered accountant. Prior to joining Deutsche Bank, Mr. Ah-Sun was part of a Graduate Program in finance with Dell Computer Corporation. In 2008 he took up a position in Product Control within Deutsche Bank's Corporate and Investment Bank, focusing on Delta One and ETF products. His scope broadened across a series of equity desks, culminating in a role as Finance Director for European Equity Trading. Between 2013 and 2019, Mr. Ah-Sun was Chief Operating Officer - Index Investing.

Michael Mohr¹

Mr. Mohr was Global Head of Passive Product Specialists at DWS. Mr. Mohr has been with the Deutsche Bank Group for 23 years, 15 of which have been spent with DWS. Mr. Mohr had extensive experience in the structuring and management of UCITS funds, from strategy through to product development and management. Mr. Mohr's role covered exchange traded funds (UCITS and 40 Act), exchange traded commodities and Passive Institutional Mandates. Mr. Mohr's role at the Deutsche Bank Group included product management for Structured Products and business development. In 2010, Mr. Mohr joined the Global Markets Structuring Team to build up the ETC business and transferred to DWS's Indexing business in 2012. Mr. Mohr studied at the Frankfurt School of Finance and Management and the National University of Singapore, and holds a Master's Degree in Banking & Finance from the Frankfurt School of Finance and Management.

Julien Boulliat²

Mr. Boulliat is Head of Portfolio Engineering Systematic Investment Solutions at DWS. Mr. Boulliat joined Deutsche Bank in 2012 with ten years of industry experience. Prior to joining Deutsche Bank, Mr. Boulliat served as Head of ETF Portfolio Management at HSBC Asset Management, Financial Engineer at Sinopia Financial Services, and Deputy Head of Trading at Sinopia Asset Management. Mr. Boulliat has a Master's Degree in Economics and Finance from Lumiere University Lyon 2 and a Postgraduate Degree in Portfolio Management and Financial Analysis from University Lille 2.

Roberto Cesca³

Mr. Cesca is the Team Lead Risk, Head of Fiduciary Market Risk within the CRO / CFO Division at DWS. Mr. Cesca joined DWS in 2017 as a Senior Risk Manager. Mr. Cesca's current role covers, amongst others, development and maintenance of the Global Fiduciary Market Risk Framework including regulatory and internal governance, market risk model and global market risk reporting. Prior to joining DWS, Mr. Cesca worked as Senior Investment Risk Analyst at Pioneer Asset Management S.A. Mr. Cesca holds a Master's degree in Banking and Finance from the University of Udine.

Directors' and Secretary's Interests in Shares and Contracts

The Board and Company Secretary (Goodbody Secretarial Limited) who held office on 31 December 2023 had no interests in the Shares of the Company at that date or at any time during the financial year.

¹ Michael Mohr resigned as a Director with effect from 21 March 2023.

² Julien Boulliat was appointed as member of the Audit Committee with effect from 28 March 2023.

³ Roberto Cesca was appointed as a Director with effect from 3 May 2023.

XTRACKERS (IE) PLC

DIRECTORS' REPORT FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2023 CONT/D

Accounting Records

The Board is responsible for ensuring that proper books and accounting records as outlined in Section 281 to 285 of the Irish Companies Act, 2014 (the "Irish Companies Act") are kept by the Company which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Irish Companies Act. To achieve this, the Board has appointed an experienced Administrator to ensure that the requirements of Sections 281 to 285 of the Irish Companies Act are complied with. The books and accounting records are maintained at the Administrator's office, 78 Sir John Rogerson's Quay, Dublin 2, Ireland.

Distributions

For a full list of distributions paid during the financial year ended 31 December 2023 and the financial year ended 31 December 2022, please refer to Note 12 of Notes to the Financial Statements.

Significant Events During the Financial Year

For a list of the significant events affecting the Company during the financial year, please refer to Note 19 of the Notes to the Financial Statements.

Significant Events After the Financial Year End

For a list of the significant events affecting the Company after the financial year end, please refer to Note 20 of the Notes to the Financial Statements.

Diversity and inclusion

Due to the nature of the Company, the main activities and operational functions have been delegated to the various service providers and the Company does not have any actual employees. The Board of the Company is made up of independent non-executive directors and non-executive directors employed by DWS. DWS is part of the Deutsche Bank group which recognises the need to accelerate progress on diversity, equity and inclusion and has developed a variety of programs, practices, and policies to help do this. Deutsche Bank believes the key to success is embedding inclusion and diversity principles in every aspect of the employee lifecycle. Deutsche Bank's leaders are actively engaged in efforts to attract and develop a diverse workforce.

Each member of the Board must have the relevant and appropriate level of skill, experience and knowledge to fulfil their responsibilities and contribute effectively to the function of the Board. The selection of each member of the Board is based on merit. The Board will continue to ensure that the selection process for any future members is non-discriminatory and fair to all.

The Management Company is part of the DWS group which is part of the Deutsche Bank group. The Company itself does not have such a policy but the management company follows the DWS policy.

Deutsche Bank

Deutsche Bank has made several public commitments demonstrating its commitment to diversity, equity and inclusion. Deutsche Bank is a founding member and signatory of the Charta der Vielfalt in Germany, Women in Finance Charter in the UK, Charter de la Diversidad in Spain, and the Charte de la Diversite in Luxembourg. Deutsche Bank made a voluntary declaration alongside other DAX-40 companies to substantially increase the representation of women and historically underrepresented groups, with a special focus on senior managers.

The employee resource groups (ERGs) play a central role in connecting people, helping to learn from other experiences, and identifying new solutions. ERGs are voluntary, cross-divisional, employee-led groups created to accelerate the advancement of employees from traditionally underrepresented groups, allies who support those groups, and people who share a common purpose, interest or background. Depending on location, ERGs have been created for the advancement of the following communities at Deutsche Bank: differently-abled, neurodiverse, families, generations, LGBTQI, multicultural/people of color, veterans, and women.

DIRECTORS' REPORT FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2023 CONT/D

Diversity and inclusion cont/d

DWS Group

Diversity and Equal Opportunities

We are committed to building an inclusive culture that respects and embraces the diversity of our colleagues, clients, and communities and that nurtures an environment where every perspective matters and where every voice is heard.

With colleagues across 70 nationalities, speaking more than 78 languages, locally rooted, yet globally connected across 21 countries, we celebrate our differences, treat each other with respect, listen openly without judging, and value each other's insights. This brings us closer together and contributes to a thriving and inspiring workplace.

DWS aims to attract, develop, and retain the best people from all cultures, countries, races, ethnicities, genders, sexual orientations, abilities, beliefs, backgrounds, age groups, and experiences. To this end, to prepare for opportunities and challenges arising from changing demographics, digitalization, and the future of work, we follow an integrated and multi-dimensional approach to Diversity, Equity, and Inclusion (DE&I). We also aim to give equal opportunities to employees who work both full-time and part-time.

As part of our broader sustainability strategy and our human rights commitments, we worked on the following DE&I areas:

- DWS continues to reach voluntary goals at the Supervisory Board and Executive Board-1 and Executive Board-2 levels per the German Gender Quota Law (FüPoG – Erstes Führungspositionengesetz). Our efforts will continue aligning us with the German Executives Positions Act II (FüPoG II – Zweites Führungspositionengesetz). The proportion of women is one of the KPIs we are tracking internally with continued success in meeting our voluntary goals.

Diversity, Equity and Inclusion (DE&I)

We aim to attract, develop, and retain the best people from all cultures, countries, races, ethnicities, genders, sexual orientations, abilities, beliefs, backgrounds, and experiences. To this end, and to prepare for opportunities and challenges arising from changing demographics, digitalization, and the future of work, we follow an integrated and multi-dimensional approach to DE&I. We also aim to give equal opportunities to employees who work both full-time and part time. This year the percentage of employees globally who work part time stood at 6.1% (2022: 7.1%).

XTRACKERS (IE) PLC

DIRECTORS' REPORT FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2023 CONT/D

Continuing our focus on gender diversity

Our aspiration is for greater female representation across our organization and we continue to monitor and report on our progress to the Executive Board. Individual goals and targets form part of Balanced Scorecards allocated to senior leaders across the firm – and these are aligned to performance evaluation and compensation. We are committed to ensuring that:

- At least 30% of our Supervisory Board members are women.
- 32% of managers at the first management level below the Executive Board are women by December 2024.
- 33% of managers at the second management level below the Executive Board are women by December 2024.
- We increase diversity in decision making bodies which include voting committees, legal entity boards, and other bodies.
- We continue to participate in “Women in the Workplace Study” developed by LeanIn.Org and McKinsey & Company.
- Together with Deutsche Bank Group, we publish our Gender and Ethnicity Pay Gap Report in the UK.
- We promote gender balance through our hiring and retention practices, external partnerships with charities and industry groups, and internal mentorship and sponsorship programmes.

Corporate Governance Statement

General Principles

The Company is subject to compliance with the requirements of the Irish Companies Act, the European Communities (Undertakings for Collective Investment in Transferable Securities (the “UCITS”)) Regulations (S.I. 352 of 2011), as amended (the “Regulations”) and the UCITS Regulations and related guidance, as applicable to the Company.

Relevant information on the Company’s governance arrangements for the financial year ended 31 December 2023 are set out below and the Company is subject to corporate governance practices imposed by:

- (i) The Irish Companies Act which are available for inspection at the registered office of the Company; and may also be obtained at <http://www.irishstatutebook.ie>;
- (ii) The Articles of Association of the Company which are available for inspection at the registered office of the Company at 78 Sir John Rogerson’s Quay, Dublin 2, Ireland and at the Companies Registration Office in Ireland; and
- (iii) The Central Bank in their UCITS Regulations which can be obtained from the Central Bank’s website at: <http://www.centralbank.ie/regulation/industry-sectors/funds/Pages/default.aspx> and are available for inspection at the registered office of the Company.
- (iv) The Euronext Dublin through the Euronext Dublin Code of Listing Requirements and Procedures which can be obtained from the Euronext Dublin’s website at: <http://www.ise.ie>.

On 14 December 2011, the Irish Funds (“IF”), issued a voluntary corporate governance code (the “Code”) for Irish authorised collective investment schemes. The Code became effective from 1 January 2012, with a twelve month transition period until 31 December 2012. On 18 January 2012, the Board of Directors (the “Board”) voluntarily adopted the Code. The Board have fully adhered to and fulfilled the requirements under the Code.

The Board did not adopt any further corporate governance codes for the financial year ended 31 December 2023.

DIRECTORS' REPORT FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2023 CONT/D

Corporate Governance Statement cont/d

Internal Control and Risk Management Systems in Relation to Financial Reporting

The Board is responsible for establishing and maintaining adequate internal control and risk management systems of the Company in relation to the financial reporting process. Such systems are designed to manage rather than eliminate the risk of error or fraud in achieving the Company's financial reporting objectives and can only provide reasonable and not absolute assurance against material misstatement or loss.

The Board has procedures in place to ensure that all relevant books of account are properly maintained and are readily available, including production of annual and half yearly financial statements. The Management Company has appointed the Administrator to maintain the books and records of the Company. The Administrator is authorised and regulated by the Central Bank and must comply with the rules imposed by the Central Bank. From time to time, the Board, or the Management Company on its behalf, examines and evaluates the Administrator's financial accounting and reporting routines. The annual financial statements of the Company are produced by the Administrator and reviewed by the Management Company. They are required to be approved by the Board and the annual and half yearly financial statements of the Company are required to be filed with the Central Bank.

During the period of these financial statements, the Board was responsible for the review and approval of the unaudited half yearly financial statements as set out in the Statement of Directors' Responsibilities. The statutory financial statements are required to be audited by independent auditors who report annually to the Board on their findings. The Board monitors and evaluates the independent auditor's performance, qualifications and independence. As part of its review procedures, the Board receives presentations from relevant parties including consideration of Irish accounting standards and their impact on the annual financial statements, and presentations and reports on the audit process. The Board evaluates and discusses significant accounting and reporting issues as the need arises.

The Company's financial statements will be published electronically on the Company's website (www.xtrackers.com), which is maintained by DWS Investments UK Limited. The Board is responsible for ensuring that the financial statements provided to the Management Company for publication on the website are consistent with the manually signed financial statements. Legislation in the Republic of Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Dealings with shareholders

The convening and conduct of shareholders' meetings are governed by the Articles of Association of the Company and the Irish Companies Act. Although the Board may convene an extraordinary general meeting of the Company at any time, the Board was required to convene the first annual general meeting of the Company within eighteen months of incorporation and subsequent annual general meetings within fifteen months of the date of the previous annual general meeting thereafter, provided that an annual general meeting is held once in each financial year within six months of the end of each accounting period of the Company.

At least twenty-one clear days' notice of every annual general meeting and any general meeting convened for the passing of a special resolution must be given to shareholders and fourteen days' notice must be given in the case of any other general meeting unless the auditors of the Company and all the shareholders of the Company entitled to attend and vote agree to shorter notice. Two shareholders present either in person or by proxy constitutes a quorum at a general meeting. The share capital of the Company is divided into different classes of shares and the Irish Companies Act and the Articles of Association provide that the quorum for a general meeting convened to consider any alteration to the rights attached to any class of shares, is two or more shareholders present in person or by proxy, holding or representing by proxy at least one third of the issued shares of the relevant class.

Every holder of participating shares or subscriber shares present, in person or by proxy who votes on a show of hands is entitled to one vote. On a poll, every holder of participating shares present, in person or by proxy, is entitled to one vote in respect of each share held by him, and every holder of subscriber shares is entitled to one vote in respect of all subscriber shares held by him. At any general meeting, a resolution put to the vote of the meeting is decided on a show of hands unless, before or upon the declaration of the result of the show

DIRECTORS' REPORT FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2023 CONT/D

Corporate Governance Statement cont/d

Dealings with shareholders cont/d

of hands, a poll is demanded by the chairman of the general meeting, or by at least two members or shareholders present, in person or by proxy, having the right to vote at such meeting, or any holder or holders of participating shares present, in person or by proxy, representing at least one tenth of the shares in issue having the right to vote at such meeting.

Shareholders may resolve to sanction an ordinary resolution or special resolution at a shareholders' meeting. Alternatively, a resolution in writing signed by all of the shareholders and holders of non-participating shares for the time being entitled to attend and vote on such resolution at a general meeting of the Company, will be valid and effective for all purposes as if the resolution had been passed at a general meeting of the Company duly convened and held. An ordinary resolution of the Company (or of the shareholders of a particular fund or class of shares) requires a simple majority of the votes cast by the shareholders voting, in person or by proxy, at the meeting at which the resolution is proposed. A special resolution of the Company (or of the shareholders of a particular fund or class of shares) requires a majority of not less than 75% of shareholders present, in person or by proxy, and voting in general meeting in order to pass a special resolution including a resolution to amend the Articles of Association.

Board composition and activities

In accordance with the Irish Companies Act and the Articles of Association, unless otherwise determined by an ordinary resolution of the Company in general meeting, the number of Directors may not be less than two. Details of the current Directors are set out on page 3, under the heading "Directors".

The business of the Company is managed by the Board, who exercise all such powers of the Company as are not by the Irish Companies Act or by the Articles of Association of the Company required to be exercised by the Company in general meeting. The Board is responsible for the Company's overall direction and strategy and to this end it reserves the decision making power on issues such as the determination of medium and long term goals, review of managerial performance, organisational structure and capital needs and commitments to achieve the Company's strategic goals. To achieve these responsibilities, the Board meets on a quarterly basis to review the operations of the Company, address matters of strategic importance and to receive reports from the Management Company, Administrator, Depositary and the Investment Manager.

A Director may, and the Company Secretary on the requisition of a Director will, at any time summon a meeting of the Board and ad hoc meetings in addition to the four quarterly meetings are convened as required.

Questions arising at any meeting of the Board are determined by the Chairman. In the case of an equality of votes, the Chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote. The quorum necessary for the transaction of business at a meeting of the Board is two.

In December 2012 the Company established an Audit Committee. There were no other sub-committees of the Board in operation during the financial year or for the financial year ended 31 December 2023.

Compliance statement

The Board acknowledge that they are responsible for securing the Company's compliance with its relevant obligations. These include all requirements of the Company under Section 225 of Irish Companies Act, and all tax law within the Republic of Ireland (the "relevant obligations").

In keeping with this responsibility, the Board has:

- drawn up a compliance policy statement setting out the Company's compliance with the relevant obligations;
- appointed the Management Company, and relies on the Management Company's risk and compliance departments to implement these procedures and secure material compliance with the relevant obligations; and
- performed a review of this policy statement, and its implementation by the Management Company.

XTRACKERS (IE) PLC

DIRECTORS' REPORT FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2023 CONT/D

Audit Committee

The membership of the Audit Committee is disclosed on the General Information page.

Relevant audit information

So far as the Board is aware, there is no relevant audit information of which the Company's auditors are unaware and the Board has taken all the steps that should have been taken as Directors in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

Connected Party Transactions

Regulation 43 of the UCITS Regulations "Restrictions of transactions with connected persons" states that "A responsible person shall ensure that any transaction between a UCITS and a connected person is conducted a) at arm's length; and b) in the best interest of the unit-holders of the UCITS".

As required under UCITS Regulation 81(4), the Board, as responsible persons are satisfied that there are in place arrangements, evidenced by written procedures, to ensure that the obligations that are prescribed by UCITS Regulation 43(1) are applied to all transactions with a connected party; and all transactions with a connected parties that were entered into during the period to which the report relates complied with the obligations that are prescribed by UCITS Regulation 43(1).

Going Concern

The Board has made an assessment of the Company's ability to continue as a going concern and are satisfied that the Company has the resources to continue in business for the foreseeable future. Furthermore, the Board is not aware of any material uncertainties that may cast significant doubt upon the Company's ability to continue as a going concern. Therefore, the financial statements continue to be prepared on the going concern basis, except for Xtrackers EUR Credit 12.5 Swap UCITS ETF which was terminated on 22 March 2023. Accordingly, the going concern basis of accounting is no longer appropriate and the financial statements for the aforementioned Fund have been prepared on a basis other than going concern. No adjustments were necessary in the financial statements to adjust assets or liabilities to their realisable values, to provide for liabilities arising from the termination and to reclassify long-term liabilities as current liabilities. The comparative information for these Funds has been prepared on a going concern basis. Further information can be found under Note 10, more specifically sub-section Liquidity Risk and Note 20 Significant events after the financial year end.

Independent Auditor

The European Union (Statutory Audits) (Directive 2006/43/EC, as amended by Directive 2014/56/EU, and Regulation (EU) NO 537/2014) Regulations 2016 ("S.I. No. 312 of 2016") introduced mandatory statutory audit firm rotation for Public Interest Entities ('PIE'). The Company is considered a PIE under S.I. No. 312 of 2016. As a result, the Company's incumbent statutory independent auditors, PricewaterhouseCoopers, are retiring at the conclusion of the Company's next annual general meeting, during which the succeeding statutory independent auditors will be appointed in accordance with section 383 of the Companies Act.

XTRACKERS (IE) PLC

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with Irish law.

Irish law requires the Directors to prepare financial statements for each financial year giving a true and fair view of the Company's assets, liabilities and financial position at the end of the financial year and the profit or loss of the Company for the financial year. Under that law the Directors have prepared the financial statements in accordance with Generally Accepted Accounting Practice in Ireland (accounting standards issued by the Financial Reporting Council of the UK, including Financial Reporting Standard 102; The Financial Reporting Standard applicable in the UK and Republic of Ireland is an accounting standard. It is issued by the Financial Reporting Council, as a prescribed body, in respect of its application in the United Kingdom and the Republic of Ireland).

Under Irish law, the Directors shall not approve the financial statements unless they are satisfied that they give a true and fair view of the Company's assets, liabilities and financial position as at the end of the financial year and the profit or loss of the Company for the financial year.

In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards and identify the standards in question, subject to any material departures from those standards being disclosed and explained in the Notes to the Financial Statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to:

- correctly record and explain the transactions of the Company;
- enable, at any time, the assets, liabilities, financial position and profit or loss of the Company to be determined with reasonable accuracy; and
- enable the Directors to ensure that the financial statements comply with the Irish Companies Act and enable those financial statements to be audited.

The Directors are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for the maintenance and integrity of the corporate and financial information included on the Company's website. Legislation in Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

XTRACKERS (IE) PLC

REPORT OF THE DEPOSITARY TO THE SHAREHOLDERS OF XTRACKERS (IE) PLC

We have enquired into the conduct of the Company for the financial year ended 31 December 2023, in our capacity as Depositary to the Company.

This report including the opinion has been prepared for and solely for the shareholders in the Company as a body, in accordance with Regulation 34, (1), (3) and (4) in Part 5 of the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011, as amended, (the “UCITS Regulations”), and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown.

Responsibilities of the Depositary

Our duties and responsibilities are outlined in Regulation 34, (1), (3) and (4) in Part 5 of the UCITS Regulations. One of those duties is to enquire into the conduct of the Company in each annual accounting period and report thereon to the shareholders.

Our report shall state whether, in our opinion, the Company has been managed in that period in Accordance with the provisions of the Company’s Memorandum and Articles of Association and the UCITS Regulations. It is the overall responsibility of the Company to comply with these provisions. If the Company has not so complied, we as Depositary must state why this is the case and outline the steps which we have taken to rectify the situation.

Basis of Depositary Opinion

The Depositary conducts such reviews as it, in its reasonable opinion, considers necessary in order to comply with its duties as outlined in Regulation 34, (1), (3) and (4) in Part 5 of the UCITS Regulations and to ensure that, in all material respects, the Company has been managed (i) in accordance with the limitations imposed on its investment and borrowing powers by the provisions of the Company’s Memorandum and Articles of Association and the UCITS Regulations and (ii) otherwise in accordance with the Company’s constitutional documentation and the appropriate regulations.

Opinion

In our opinion, the Company has been managed during the financial year, in all material respects:

- (i) in accordance with the limitations imposed on the investment and borrowing powers of the Company by the Memorandum and Articles of Association, the UCITS Regulations and the Central Bank (Supervision and Enforcement) Act 2013 (Section 48(1)) (Undertakings for Collective Investment in Transferable Securities) Regulations 2019 (the “Central Bank UCITS Regulations”); and
- (ii) otherwise in accordance with the provisions of the Memorandum and Articles of Association, the UCITS Regulations and the Central Bank UCITS Regulations.

State Street Custodial Services (Ireland) Limited

Ireland

Date: 22 April 2024

Independent auditors' report to the members of Xtrackers (IE) plc

Report on the audit of the financial statements

Opinion

In our opinion, Xtrackers (IE) plc's financial statements:

- give a true and fair view of the Company's and Funds' assets, liabilities and financial position as at 31 December 2023 and of their results for the year then ended;
- have been properly prepared in accordance with Generally Accepted Accounting Practice in Ireland (accounting standards issued by the Financial Reporting Council of the UK, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and Irish law); and
- have been properly prepared in accordance with the requirements of the Companies Act 2014 and the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011 (as amended).

We have audited the financial statements, included within the Annual Report and Audited Financial Statements, which comprise:

- the Statement of Financial Position as at 31 December 2023;
- the Statement of Comprehensive Income for the year then ended;
- the Statement of Changes in Net Assets Attributable to Holders of Redeemable Participating Shares for the year then ended;
- the Portfolio of Investments for each of the Funds as at 31 December 2023; and
- the notes to the financial statements for the Company and for each of its Funds, which include a description of the accounting policies.

Our opinion is consistent with our reporting to the Board of Directors.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) ("ISAs (Ireland)") and applicable law.

Our responsibilities under ISAs (Ireland) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, which includes IAASA's Ethical Standard as applicable to listed public interest entities, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

To the best of our knowledge and belief, we declare that non-audit services prohibited by IAASA's Ethical Standard were not provided to the Company.

Other than those disclosed in note 8, we have provided no non-audit services to the Company in the period from 1 January 2023 to 31 December 2023.

Emphasis of matter - financial statements prepared on a basis other than going concern

In forming our opinion on the financial statements, which is not modified, we draw attention to note 2 to the financial statements which describes the reasons why the financial statements of Xtrackers EUR Credit 12.5 Swap UCITS ETF have been prepared on a basis other than going concern.

Our audit approach

Overview

	Materiality <ul style="list-style-type: none"> Overall materiality: 50 basis points (2022: 50 basis points) of Net Assets Value ("NAV") at 31 December 2023 (2022: 31 December 2022) for each of the Company's Funds. For Xtrackers EUR Credit 12.5 Swap UCITS ETF, which terminated during the year, the final NAV of the fund during the year was applied. Performance materiality: 75% of overall materiality.
	Audit scope <ul style="list-style-type: none"> The Company is an open-ended investment Company with variable capital and engages DWS Investment S.A. (the "Manager") to manage certain duties and responsibilities with regards to the day-to-day management of the Company. We tailored the scope of our audit taking into account the types of investments within the Funds, the involvement of the third parties referred to below, the accounting processes and controls, and the industry in which the Company operates. We look at each of the Funds at an individual level.
	Key audit matters <ul style="list-style-type: none"> Existence of financial assets and financial liabilities at fair value through profit or loss. Valuation of financial assets and financial liabilities at fair value through profit or loss.

The scope of our audit

As part of designing our audit, we determined materiality and assessed the risks of material misstatement in the financial statements. In particular, we looked at where the directors made subjective judgements, for example the selection of pricing sources to value the investment portfolio. As in all of our audits, we also addressed the risk of management override of internal controls, including evaluating whether there was evidence of bias by the directors that represented a risk of material misstatement due to fraud.

Key audit matters

Key audit matters are those matters that, in the auditors' professional judgement, were of most significance in the audit of the financial statements of the current period and include the most significant assessed risks of material misstatement (whether or not due to fraud) identified by the auditors, including those which had the greatest effect on: the overall audit strategy; the allocation of resources in the audit; and directing the efforts of the engagement team. These matters, and any comments we make on the results of our procedures thereon, were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. This is not a complete list of all risks identified by our audit.

Key audit matter	How our audit addressed the key audit matter
<p><i>Existence of financial assets and financial liabilities at fair value through profit or loss</i></p> <p>See significant accounting policy 3(a) of the financial statements of the Company for further details of investment types held by the Funds.</p> <p>The financial assets and financial liabilities at fair value through profit or loss included in the Statement of Financial Position of each Fund are held in the Fund's name at 31 December 2023. We focused on this area because it represents the principal element in the financial statements.</p>	<p>We obtained independent confirmations from the Depository and counterparties of the financial assets and financial liabilities held at 31 December 2023 and reconciled the amounts held to the accounting records.</p> <p>For a portion of the derivative positions we liquidated these positions to post period end bank statements to verify their existence as an alternative audit procedure at 31 December 2023. No material issues were noted as a result of these procedures.</p>
<p><i>Valuation of financial assets and financial liabilities at fair value through profit or loss</i></p>	<p>We tested the valuation of the financial assets and financial liabilities by independently agreeing the valuation of financial assets and financial liabilities to third</p>

We focused on this area because it represents the principal element in the financial statements.</p>	<p>party vendor sources. No material issues were identified from the results of these procedures.</p>
--	---

How we tailored the audit scope

We tailored the scope of our audit to ensure that we performed enough work to be able to give an opinion on the financial statements as a whole, taking into account the structure of the Company, the accounting processes and controls, and the industry in which it operates.

As at 31 December 2023 there are 102 Funds operating. The Company's Statement of Financial Position, Statement of Comprehensive Income, and Statement of Changes in Net Assets Attributable to Holders of Redeemable Participating Shares are an aggregation of the positions and results of the Funds.

The directors control the affairs of the Company and are responsible for the overall investment policy which is determined by them. The Company engages the Manager to manage certain duties and responsibilities with regards to the day to day management of the Company. The Manager has delegated certain responsibilities to DWS Investment GmbH, DWS Investments UK Limited, DWS Investments Hong Kong Limited and Nippon Life India Asset Management (Singapore) Pte. Ltd (the 'Investment Managers') and to State Street Fund Services (Ireland) Limited (the 'Administrator'). The financial statements, which remain the responsibility of the directors, are prepared on their behalf by the Administrator. The Company has appointed State Street Custodial Services (Ireland) Limited (the "Depositary") to act as Depositary of the Company's assets. In establishing the overall approach to our audit we assessed the risk of material misstatement at a Fund level, taking into account the nature, likelihood and potential magnitude of any misstatement. As part of our risk assessment, we considered the Company's interaction with the Administrator, and we assessed the control environment in place at the Administrator.

Materiality

The scope of our audit was influenced by our application of materiality. We set certain quantitative thresholds for materiality. These, together with qualitative considerations, helped us to determine the scope of our audit and the nature, timing and extent of our audit procedures on the individual financial statement line items and disclosures and in evaluating the effect of misstatements, both individually and in aggregate on the financial statements as a whole.

Based on our professional judgement, we determined materiality for the financial statements of each of the Company's Funds as follows:

<p>Overall materiality and how we determined it</p>	<p>50 basis points (2022: 50 basis points) of Net Assets Value ("NAV") at 31 December 2023 (2022: 31 December 2022) for each of the Company's Funds. For Xtrackers EUR Credit 12.5 Swap UCITS ETF, which terminated during the year, the final NAV of the fund during the year was applied.</p>
<p>Rationale for benchmark applied</p>	<p>We have applied this benchmark because the main objective of the Company is to provide investors with a total return at a Fund level, taking account of the capital and income returns.</p>

We use performance materiality to reduce to an appropriately low level the probability that the aggregate of uncorrected and undetected misstatements exceeds overall materiality. Specifically, we use performance materiality in determining the scope of our audit and the nature and extent of our testing of account balances, classes of transactions and disclosures, for example in determining sample sizes. Our performance materiality was 75% of overall materiality.

In determining the performance materiality, we considered a number of factors - the history of misstatements, risk assessment and aggregation risk and the effectiveness of controls - and concluded that an amount at the upper end of our normal range was appropriate.

We agreed with the Board of Directors that we would report to them misstatements identified during our audit above 5 basis points of each Fund's NAV, for NAV per share impacting differences (2022: 5 basis points of each Fund's NAV, for NAV per share impacting differences) as well as misstatements below that amount that, in our view, warranted reporting for qualitative reasons.

Conclusions relating to going concern

With the exception of Xtrackers EUR Credit 12.5 Swap UCITS ETF where a basis of accounting other than going concern has been adopted as set out in the Emphasis of matter - financial statements prepared on a basis other than going concern above, our evaluation of the directors' assessment of the Company's and Funds' ability to continue to adopt the going concern basis of accounting included:

The Company is structured as an open-ended umbrella fund with segregated liability between the Funds. The Directors assessment of going concern included assessment of 1) 2023 Overview, 2) Liquidity and 3) Management's Plans.

We have obtained an understanding of the liquidity risk of the Company and Funds and the measures to mitigate and manage these risks (as disclosed in Note 10 Financial Instruments and Associated Risks - Liquidity Risk) over the going concern period (12 months from the date of approval of the financial statements) by considering the Board's assessment of going concern (outlined in the Directors' Report).

We considered the appropriateness of the going concern assessment of the Company and Funds by:

- Reviewing the liquidity profile of the assets and liabilities, for any significant mismatches, as detailed in Note 10 Financial Instruments and Associated Risks - Liquidity Risk;
- Agreeing the liquidity terms surrounding the Company and Fund's ability to manage liquidity risk through redemption limits, if necessary, as per Note 10 Financial Instruments and Associated Risks - Liquidity Risk, to the legal documents;
- Performing subsequent event testing around capital activity to determine whether material redemption requests have been presented to the Funds; and
- Discussing management's plans to assess if there is a plan to terminate any of the Funds.

With the exception of Xtrackers EUR Credit 12.5 Swap UCITS ETF where a basis of accounting other than going concern has been adopted as set out in the Emphasis of matter - financial statements prepared on a basis other than going concern above, based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's and Funds' ability to continue as a going concern for a period of at least twelve months from the date on which the financial statements are authorised for issue.

With the exception of Xtrackers EUR Credit 12.5 Swap UCITS ETF where a basis of accounting other than going concern has been adopted as set out in the Emphasis of matter - financial statements prepared on a basis other than going concern above, in auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

However, because not all future events or conditions can be predicted, this conclusion is not a guarantee as to the Company's and Funds' ability to continue as a going concern.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Reporting on other information

The other information comprises all of the information in the Annual Report and Audited Financial Statements other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Directors' Report, we also considered whether the disclosures required by the Companies Act 2014 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (Ireland) and the Companies Act 2014 require us to also report certain opinions and matters as described below:

Directors' Report

- In our opinion, based on the work undertaken in the course of the audit, the information given in the Directors' Report for the year ended 31 December 2023 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.
- Based on our knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' Report.

Corporate governance statement

- In our opinion, based on the work undertaken in the course of the audit of the financial statements, the description of the main features of the internal control and risk management systems in relation to the financial reporting process included in the Corporate Governance Statement, is consistent with the financial statements and has been prepared in accordance with section 1373(2)(c) of the Companies Act 2014.
- Based on our knowledge and understanding of the Company and its environment obtained in the course of the audit of the financial statements, we have not identified material misstatements in the description of the main features of the internal control and risk management systems in relation to the financial reporting process included in the Corporate Governance Statement.
- In our opinion, based on the work undertaken during the course of the audit of the financial statements, the information required by section 1373(2)(a),(b),(e) and (f) of the Companies Act 2014 is contained in the Corporate Governance Statement.

Responsibilities for the financial statements and the audit

Responsibilities of the directors for the financial statements

As explained more fully in the Statement of Directors' Responsibilities set out on page 16, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view.

The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's and Funds' ability to continue as going concerns, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Based on our understanding of the Company and industry, we identified that the principal risks of non-compliance with laws and regulations related to breaches of Irish legislation and Central Bank of Ireland regulations, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Companies Act 2014 and the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011 (as amended). We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls), and determined that the principal risks were related to the risk of management override of controls.

Audit procedures performed by the engagement team included:

- Inquiry of management to identify any instances of non-compliance with laws and regulations;
- Identifying and testing journal entries, where any such journal entries, that met our specific risk based criteria, were identified;
- Designing audit procedures to incorporate unpredictability;

- Reviewing relevant minutes of the meetings of the board of directors; and
- Reviewing financial statement disclosures and agreeing to supporting documentation to assess compliance with applicable laws and regulations.

There are inherent limitations in the audit procedures described above. We are less likely to become aware of instances of non-compliance with laws and regulations that are not closely related to events and transactions reflected in the financial statements. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

Our audit testing might include testing complete populations of certain transactions and balances, possibly using data auditing techniques. However, it typically involves selecting a limited number of items for testing, rather than testing complete populations. We will often seek to target particular items for testing based on their size or risk characteristics. In other cases, we will use audit sampling to enable us to draw a conclusion about the population from which the sample is selected.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA website at:

https://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description_of_auditors_responsibilities_for_audit.pdf.

This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with section 391 of the Companies Act 2014 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Companies Act 2014 opinions on other matters

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
- In our opinion the accounting records of the Company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.

Companies Act 2014 exception reporting

Directors' remuneration and transactions

Under the Companies Act 2014 we are required to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by sections 305 to 312 of that Act have not been made. We have no exceptions to report arising from this responsibility.

Appointment

We were appointed by the directors on 10 June 2014 to audit the financial statements for the year ended 31 December 2014 and subsequent financial periods. The period of total uninterrupted engagement is 10 years, covering the years ended 31 December 2014 to 31 December 2023.

INVESTMENT MANAGER'S REPORT (UNAUDITED)

Global Market Review

EQUITY

United States (US):

The Nasdaq gained 32% year-to-date, outperforming the S&P 500's 14% bounce and Dow Jones Industrial Average's 2% gain. Mega cap stocks are once again dominating the performance. This is driven by enthusiasm around generative artificial intelligence technologies such as ChatGPT. The year-to-date return of the top seven technology stocks has been around 65%. Nvidia has posted a 190% return and Apple's market capitalization now exceeds that of the entire small-cap Russell 2000 Index. The consumer discretionary and communication services sectors also performed strongly. Underperforming sectors included energy and utilities. The US Federal Reserve (Fed) steadily increased its benchmark interest rate to the highest since 2007. The US unemployment rate increased in May to 3.7%, which is larger than expected but the labor market remains historically tight.

United Kingdom (UK):

UK equities fell over the first half of 2023 as interest rate fears gripped markets. The large UK-quoted diversified energy and basic materials groups were the most significant detractors. The 0.5% rate hike in June represented a reacceleration decision following stronger-than-expected UK jobs market numbers, wage growth and core inflation readings. In its latest quarterly forecasts, the Bank of England (BoE) said it still expected the country to fall into a recession later in 2023.

Eurozone:

Overall, Eurozone shares posted gains in the first half of 2023 despite volatility in the banking sector with the advance led by the financials and IT sectors. Underperforming sectors included energy and communication services. The region experienced a mild recession over the winter. The European Central Bank (ECB) raised interest rates four times this year, taking the main refinancing rate to 4.0%. The core inflation rate reached 5.4% in June. The labor market remains tight, with low unemployment and the growth of wages accelerating.

Japan:

Japan has been the best performing major equity market for the first half of 2023. The major equity indices, the Topix and the Nikkei 225, both hit their highest levels since 1989, driven by weakness in the yen and continuous buying from foreign investors since April 2023. The Bank of Japan (BoJ) maintained its yield curve control policy under new governor Kazuo Ueda. While the BoJ maintained their cautious stance on the continuity of inflation and wage growth in Japan, the macroeconomic figures continued to suggest solid progress.

Emerging Markets (EM):

Emerging market (EM) equities have underperformed developed markets so far this year. Tensions between the US and China were a contributing factor behind EM underperformance, as were concerns about China's weak economic recovery. Hungary, Poland, and Greece were the top-performing index markets despite rising recessionary fears in Europe. China underperformed amid concerns over a weaker-than-expected recovery. Kuwait and Qatar also underperformed. South Africa was among the weakest performers as the country's power situation continued to deteriorate, with severe consequences for economic growth. Shares in India achieved strong gains, driven by foreign inflows and steady earnings, and as encouraging economic data boosted sentiment towards the country. Equities in Taiwan advanced, driven by gains in technology stocks resulting from more investors buying AI-related stocks. Investor enthusiasm for AI-related stocks also boosted share prices in South Korea. The Philippines and Singapore ended in negative territory, while Indonesia achieved a modest gain. In currency terms, the Rouble and Turkey's Lira were among the top decliners in the first half of the year.

FIXED INCOME

United States (US):

The US 10-year Treasury yield increased from 3.74% to 3.84% during the first half of 2023. The US 2-year yield increased significantly from 4.37% to 4.90%. At the beginning of the year, the short-term rates were close to zero. The yield curve inversion for 364 straight days, with widening spreads between 2-year and 10-year

yields, hasn't garnered its due attention. US growth surprised to the upside, with a 'soft landing' scenario now being the market consensus. On the credit front, US investment grade posted negative total returns, but outperformed Treasuries over the quarter. US high yield posted positive returns.

Eurozone:

The ECB continued to raise interest rates and announced in May that they expected to end reinvestments under their Asset Purchase Program from July 2023. However, headline inflation has fallen significantly from the peak. Germany's 10-year yield increased from 2.31% to 2.39%. Euro high yield outperformed investment grade over the period. Analysts expect the ECB to reach a terminal rate of 4% given elevated inflation, a tight labor market, and sticky wage growth.

United Kingdom (UK):

The UK 10-year yield moved up from 3.65% to 4.44% during the first half of 2023. In the first quarter of 2023, the BoE approved two rate hikes of 50bps and 25bps, respectively. At the March 2023 meeting, the BoE kept the door open to further rate hikes should the economy surprise to the upside. Inflation in the UK has taken many by surprise. This prompted the BoE to act more forcefully, raising interest rates by a larger than expected 50 basis points in June. The UK 10-year yield jumped from 3.49% to 4.39% and two-year made even more gains by increasing from 3.44% to 5.26%. On the credit front, UK high yield outperformed UK investment grade.

Japan:

In March 2023, the turmoil triggered by the collapse of Silicon Valley Bank (SVB) and the bailout of Credit Suisse by UBS dragged down market sentiment. Japanese financial stocks were particularly affected. However, the market rebounded toward the end of the month. Yen weakness supported cyclical stocks. Central banks continued with their interest rate hikes, though some adjusted their stance. The BoJ made no further adjustments to its yield curve control policy, despite core inflation rising. The BoJ also appointed a new governor, a development that markets are assessing for any implications for monetary policy, particularly with respect to yield curve control.

The BoJ held the first policy meeting under new governor Kazuo Ueda in April 2023 and the second in June 2023. There was no change to policy, which suggested their dovish stance continues. On the other hand, the US Fed is likely to continue to raise interest rates, therefore yen weakness has also accelerated. While the BoJ maintained their cautious stance on the continuity of inflation and wage growth in Japan, the macroeconomic figures continued to suggest solid progress.

Asia ex Japan:

2022 was a challenging year for Asian USD credit. Returns have been negative, as bond yields and credit spreads have risen sharply due to inflation and hawkish central banks.

Starting into the year, macro fundamentals and a slowing global growth outlook potentially pointed to lower bond yields in 2023, pockets of opportunities in the Asian Credit market were expected. The first quarter of the year began with positive sentiment on the growth outlook as energy costs fell and China's economy reopened. In March 2023, the turmoil triggered by SVB's collapse and the bailout of Credit Suisse by UBS dragged down market sentiment. The second quarter of 2023 saw a significant drop in market volatility. Government bond yields were on the rise again, although there was some divergence, with the UK and Australia underperforming due to higher-than-expected inflation and a greater resolve by central banks to combat inflation. With the exception of the BoJ, all major central banks kept raising interest rates over the quarter.

INVESTMENT MANAGER'S REPORT (UNAUDITED) CONT/D

The performance figures in the Investment Manager's report are calculated based on the last official NAV published for 2023, which in some cases are different than the NAV used for the purpose of the Annual Report. NAVs used for the Annual Report are all dated 31 December 2023 (except for liquidated Funds or share classes) and have been specially calculated for the purpose of the Annual Report; for the avoidance of doubt, the NAVs as published in the Annual Report are not NAVs on which any Shareholder could have traded. Computing performance figures with the NAV included in the Annual Report will lead to different results than the below table.

¹ This Share Class was terminated on 22 March 2023.

² The Fund does not track an index.

³ For this FX hedged share class: Performance Difference is defined as the difference between the performance of the currency hedged share class of this Fund and the unhedged benchmark index. Tracking Difference is defined as the difference between the return of the unhedged share class of this Fund and the unhedged benchmark index. Tracking Error is defined as the volatility of the difference between the return of the unhedged share class of this Fund and the unhedged benchmark index.

⁴ This Share Class was launched on 8 March 2023.

⁵ This Share Class was launched on 11 October 2023.

⁶ For this FX hedged share class: Performance Difference is defined as the difference between the performance of the currency hedged share class of this Fund and the unhedged benchmark index. Tracking Difference is defined as the difference between the return of the currency hedged share class of this Fund and the unhedged benchmark index. Tracking Error is defined as the volatility of the difference between the return of the currency hedged share class of this Fund and the unhedged benchmark index.

⁷ This Share Class was launched on 12 May 2023.

⁸ This Share Class was launched on 24 January 2023.

⁹ This Share Class was launched on 17 May 2023.

¹⁰ This Share Class was launched on 18 January 2023.

¹¹ This Share Class was launched on 25 January 2023.

¹² This Share Class was launched on 31 January 2023.

¹³ This Share Class was launched on 12 April 2023.

¹⁴ This Share Class was launched on 5 July 2023.

¹⁵ This Share Class was launched on 13 September 2023.

¹⁶ This Share Class was launched on 26 September 2023.
